The class of 1963 has had a final High School year which has afforded us with lessons, challenges, and enjoyment. With lessons learned early in the year from the ill-fated Rec-Night, the class improved steadily in enthusiasm and dedication in all functions. The Matchmaker, the senior sponsored play, was a great success; and the Senior Ball, always a great success in any senior year, was held at the Peninsula Golf and Country Club on March 9. Slave Day added color to the year, and graduation week, with ceremony festivities provided a finishing touch to a fine High School career.

GOVERNMENT

Student Body President

In just five years Woodside has grown to be the largest high school in the Sequoia District. Besides holding this distinction it enjoys a good athletic and a superior scholastic reputation. However, it was not until this year that Woodside really came into its own. A shining example of this can be seen in the school spirit reflected by the record-smashing student body card sales.

As a graduating senior I will not soon forget my wonderful experiences of this year. I am sure that my sentiments are shared by the vast majority of our student body. I can only hope that the students of Woodside continue taking advantage of the many opportunities afforded them, thereby insuring Woodsiders enviable status in the SPAL.

Board of Welfare

The number of persons on the Board of Welfare increased this year to one hundred twenty in order that more persons who wished to serve on the Welfare Board could serve on it and in order that the Board could "rotate" (one quarter of the Board alternately could rest). To accommodate this increase in size, four dozen new armbands were purchased. A new duty was added to Welfare's duties, the after-school-parking-lot duty, which directed traffic out of the parking lot after school. The other Welfare duties involved patrolling the multi-use room at brunch and lunch, the boys' and girls' lavatories, the halls, and the parking lot at brunch and lunch.

School Spirit Board

SCHOOL SPIRIT

This year the School Spirit Board had the greatest assemblage of students since 1958! Because of its size, the board was divided into two groups appropriately labeled Orange and White. Each of these groups was then organized into smaller units under the direction of committee heads.

Some of the highlights of this year were the cha-cha line, the Roaring Twenties rally and the inter-class competition. Perhaps the greatest moment for spirit was at the Sequoia football game, when, regardless of the violent storm, the Woodside Wildcats jammed their rooting sections, while only a few Sequoia Indians ventured out to get their feathers wet. In addition, the board adopted a new member, Wilbur Wildcat, which was created by Celesta Throndson. The cheerleaders, pom-pon girls, School Spirit Board and student body all made 1962-63 an eventful year for school spirit.

On September 28, the first all-school stag dance, "Welcome Back, Charlie Brown," was held. Based on a "Peanuts" theme, it was a tremendous success with over 650 students attending.

In October, a Roaring Twenties dance, "62 Skidoo," was held. Over 170 costumed couples danced to the music of "The Megatones" and drank bathtub punch.

The fourth annual football dance was held in November. "5th quarter" featured the crowning of the football queen, Celesta Throndson, by co-captain, Bill Welsh, and the presentation of her four attendants. Music was provided by the "Dick Hernandez Band."

"Silver Twilight," the annual Christmas Dance, had as the center of attraction a twelve-foot decorated tree around which 180 couples danced.

In February the Social Board helped the Sophomore Class present their Valentine dance, "Rhythm in Red."

All through the school year the Social Board has worked very hard trying to provide dances that the whole school would enjoy.

Noon Recreation Board

The principal functions of the Noon Recreation Board are to entertain and provide recreation for students at noon. This year we have enlarged and improved the facilities available to students at noon and have attempted to sponsor new activities. Basketballs and volleyballs (for the new volleyball courts) have been added to the Boards' athletic room which already had contained horse shoes and ping-pong equipment. Noon movies shown once a month, dances with and without live bands every two weeks, music played in the Multi Purpose Room and daily athletic activities have been supplemented by a pumpkin carving contest, ping-pong tournament and the annual free throw contest.

At the end of this year, the annals of Woodside will close on its most successful campaign in the field of athletics. This appropriately compliments the year of our largest enrollment and athletic budget.

The changing conditions of sports at Woodside presented several problems to the Athletic Board of Control. The board decided, after much consideration, to pursue a "laissez-faire" policy toward changes in the athletic code.

During the past year, we have continued to select an athlete of the week and hope to create an athlete of the year award, to honor the most valuable and talented senior athlete. Also, of paramount importance to the athletic board is the installation of an electric-clock scoreboard for the football field. With more than some enthusiasm, we have sponsored a new sport, golf.

In conclusion, I would like to compliment the athletic board for its year-long cooperation. To Mr. Dorfmeier, our advisor and the Director of Athletics, goes our most sincere thanks for his devotion of interest to athletics at Woodside for the past five years. He has helped to mold a very excellent athletic department.

Girls' Athletic Board

In fulfillment of its original purpose, the Girls' Athletic Board organized, directed, and carried out the policies for a program of girls' after-school sports. Four sports seasons, consisting of a total of eight sports, were successfully completed. Service and athletic points were recorded and blocks and gold bars were awarded. In addition, a new award, the Athletic Star, was introduced; ski movies were shown; the Board's constitution was renovated; twenty-four sports-days were held; and a questionaire to determine the weak points of the sports program was sponsored. The sports year of 1962-63 closed with Woodside's first girls' sports banquet, an event which will become an annual affair and part of Woodside tradition.

We of the Athletic Board believe we have assumed our responsibilities and completed our duties. We thank the students of Woodside for allowing us to serve them.

This year the Publicity Board, consisting of nineteen girls and one boy, did a number of new things besides the usual making of programs, banners, bids, and posters.

We made the mascot, Wilbur's head and costume.

We made the head for Bottom, the donkey, in *Midsummer Night's Dream.*

We started a scrapbook which will be continued and will be used as a reference for future publicity commissioners.

We started a lettering clinic. Mr. Buck came in once a week and gave interested board members lessons in lettering.

We're working on perfecting the photographic silk screen so as to speed up the cutting process for making a silk screen.

And, we made up packages to be sold to Commissioner candidates consisting of one banner and six posters for $2.00. The border design was completed and ready for any slogan the candidate wishes to have lettered on them. Also packets of 100 candidate buttons will be sold for $1.00 each.

Finance Board

During this past year the Finance Board has enlarged, and its concept has changed. A Board of 40 members representing all four classes was formed. This Board then moved to assume the responsibility of selling and collecting money for all Student Body functions. The idea of centralizing all school finances was new, and successful. Student Body Card sales hit an all-time high of 91%; Yearbook sales were close behind. In addition, the selling of tickets at football and basketball games, at noon dances and movies, for Social Board dances, and the distribution of pictures and permanent Student Body Cards were carried out smoothly. I feel that the 1962-63 Finance Board has achieved its goals and set a pattern for future boards to build upon.

The Student Council is the legislative body of our student government and is comprised of representatives from each basic course class, thus insuring direct representation. This year the Student Council has been largely introspective in its actions, taking a second look at such things as Welfare Board membership, the service point system, and a possible Commissioner of Publications. Such self-evaluation cannot help but further strengthen the status of the Associated Students of Woodside High School.

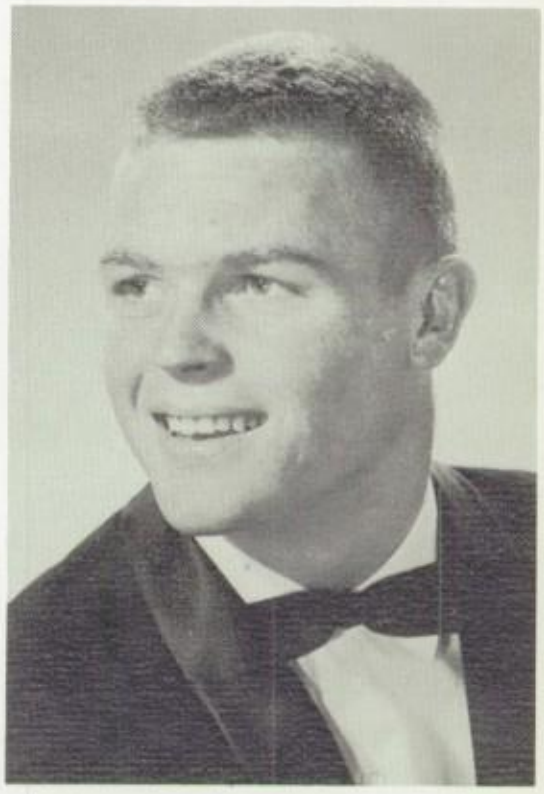
Student Court



William Welsh

This year the Student Court's main goal was to reduce the crime rate at Woodside. The judges and advisors took time to listen to the complaints and arguments of the accused and tried to give fair and concise verdicts. The Court must have the respect of the students in order to be a successful organization.

American Field Service

Popi Mylona from Greece

My year in the United States has been a wonderful one, and now as the year ends I would like to thank you, the teachers and students of Woodside, who have been so friendly to me.

I will always remember football and basketball games, Wilbur Wildcat, the cheerleaders, Pom-pon girls, my classes, dances and my friends.

I have learned many things about a teenager's life in America, since the social life in Greece is different. Visiting San Francisco, Sacramento, Yosemite, riding the roller coaster for the first time, are only a few of my many memories. I feel that I'll be homesick when I leave the U.S. as Ardsley Botsford and Bill Duvall feel, far from their European families.

I hope that someday I'll come back to sunny California; I want to visit Woodside and see each one of you. By then I hope that you will have already traveled to Greece and have visited me, because I would like to return the friendliness you offered me for the whole year.

Good Luck Woodside!

Yours truly,

Popi Mylona

Winding up the season with a 14-0 win over close neighbor San Carlos, the Varsity Football Team ended the season the way it began—on a winning note. Coach Paul Braunreiter, although not enthusiastic about the team's 4 win, 4 lost, and 1 tie record, called it a respectable season. "Whenever you win as many as you lose it isn't a bad year," stated Braunreiter. Bill Welsh and Bob Watson were elected co-captains for the season by their team-mates. Welsh was first in the league in pass completions with 64 for 675 yards. He also holds the league record for the most completions in a single game, 16. Braunreiter said that he will wait until next year to make any predictions about next year's chances but he feels that with a good nucleus of returning backs, ends, and linemen, there should be an improvement over this year's performance.

This year's Frosh-Soph football team is co-holder of the SPAL crown with Sequoia, both teams finishing the season with identical won-lost records of 6 and 1. The team leaders were all-league quarterback Jim Curtice and all-league fullback Frank Boggs who were the team's leading passer and rusher respectively. The defensive standouts, according to Coach Troy Ratliff, were Charles Concannon, Tim Roach, and Paul Hanson. Curtice and Hanson were elected co-captains by their team-mates.

This year's Freshman Football team went undefeated in three games. In their first game the team played M-A to a scoreless tie. Their second game ended in a 13 to 13 tie with the Carlmont Scots. The season ended with a 7-6 win over the Sequoia Frosh. Overall the season was successful highlighted by the Sequoia win.

The Varsity finished the season on an unhappy note by losing games to Menlo-Atherton and Sequoia in the SPAL Shaughnessy playoffs at Stanford. This placed the Varsity in fourth place in the final SPAL Water Polo standings. Seniors Art Kauffman and Bruce Steckel were named to the All-League first team, and senior Al Kamada and junior Jay Voss were named to the second team. Steckel and Kauffman were elected co-captains with Voss being named the most valuable player on the team. The team fought hard all the way and with a few breaks many feel that they could have finished higher.

A shot by a Woodside player sails by the goal as Sequoia goalie Jeff Cudworth moves over to block it. A straight shot would have scored.

Right: An attempt is made by Art Kauffman to score against the tough M.A. squad.

Left: the boys discuss strategy with Coach Mickley in hopes of improving the situation.

Frosh-Soph Water Polo team ended the season on the winning side, with four wins and two losses, and both losses were by a point margin. This put them behind San Carlos and M.A. Mark Rodgers was given a berth on the all-league Frosh-Soph team, and Jim Kauffman and Jock Howell named most improved, and Mark Rodgers most valuable.

Compiling the best season in Woodside basketball history, the '62-'63 Varsity netters wound up the SPAL season with a seven and seven record. Their overall record of twelve and nine was also the best in the school's history.

Paced by all-tourney selectees Bruce Steckel, Harvey Shank, and Bill Welsh, the Wildcats five won December's annual James Lick Invitational Basketball Tournament. The Wildcats who dominated the boards throughout the three games, defeated Lick in the championship game 42 to 36. Bruce Steckel, the "Cats" 6 foot-5 inch center, was voted the tournaments outstanding player.

Coming down a notch or two during the first half of the SPAL season the team's record was a mere 3 and 4, the victories coming over Cubberly, Menlo-Atherton, and San Carlos.

The second half of the season was highlighted by a heartbreaking, last-second loss at the hands of the Ravenswood Trojans, and a very convincing 74 to 38 revenge victory over Palo Alto. The Woodsiders finally began showing the form expected by many pre-season observers. The "Cats'" second-half record was 4 and 3 with wins over Paly, Cubberly, Carlmont, and San Carlos. The team finished the season tied for fourth place with the Carlmont Scots.

At the first annual Basketball dinner, sponsored by the Woodside Boosters, Harvey Shank was honored as the most improved player on the team. Bruce Steckel was voted most valuable, and Bill Welsh most inspirational. Welsh was also voted as team captain.

The '62-'63 edition of the Woodside "B" Basketball Team brought its alma-mater its first basketball championship in the school's five year history.

Handicapped by a very slow start which saw them lose their first two games, the Cats bounced back, losing only once to M.A. in their last twelve outings.

Coach Frank Verducci's five led the league in three statistical departments — team offense, with 46 points per game, team defense, giving up only 35 points per game, and field goal shooting with a net - searing .419 percentage.

Three Wildcat "B's" were named to all SPAL teams: Paul Hanson to the second unit, and Steve Ford, who received an honorable mention.

After their final game against M.A., the team announced that it had chosen Mike Ayers and Steve Ford co-captains, Paul Hanson most valuable, and Lee Schiff most improved player.

Coach Paul Braunreiter's Wrestling Team concluded this year's season with consecutive victories over Menlo Atherton and Sequoia. Spearheading the Woodside squad were SPAL champions Jesse Ortega and Frank Donate who were also voted team co-captains. Most valuable grappler honors went to Donate while Larry D'Oliva was elected most improved.

Front Row, Left to Right: H. Welz (mgr.), T. Roach, D. Hanson, T. Wendt, G. Snyder, S. Paulsen, S. Pierce (mgr.). Middle Row: M. Skala (mgr.), J. Dunker, B. Potter, D. Dwiggins, A. Israels, J. Greggans (Coach). Back Row: T. Ratliff (Coach), J. Dunker, B. Kelly, R. Saunders, T. Messer.

Looking for the best Varsity aggregation in Woodside history, Mr. Greggans reports a number of stand-out returnees from last year's best-ever team. Named were Rich Saunders, Bob Kelly, Brian Hea, Jon Green, Bill Duvall, Teal Messer, Terry Wendt, John Dunker, and Jim Dando. Greggans also looks for big things from Woody Rehanck a "C" last year who will run the mile.

The highlight of the season came when Woodside's Relay team of Jim Dando, Jon Green, and Terry Wendt and Brian Hea set a new school 880 relay record of 1:32.5. Also, Messer's 1:56.8 in 880 which is the best in Northern California.

B Track

Commenting on the cindermen, Mr. Greggans stated that the '63 B's should finish high in the league standings. He is expecting great things from Ed Graves, Cliff Chernick, Pete Pardee, Gordy Stearns, Ken Woolley, Dan Dempsey, Rick Rundell, Lee Schiff, Dave Fitzgerald and Gary Sealand.

Front Row, Left to Right: H. Welz (mgr.), M. Parker, N. Sanford, J. Dando, D. Dal Porto, Coach J. Greggans, D. Amthes, S. Pitzer, P. Pardee, T. Devlin, M. Skala (mgr.). Middle Row: D. Villa, P. Fernandez, K. Woolley, G. Stearns.

C Track

The C's, Greggans said, have a good chance to go all the way. This is because of outstanding Cross-Country runners such as Glenn Hea, Dick and John Dowell, Charles and Neal Sanford, Colin Macy, Garen Patterson, Jeff McCrory, and Dave Sexton.

Front Row, Left to Right: H. Welz (mgr.), T. Thompson, D. Okarato, M. Saleeby, Coach J. Greggans, A. Taylor, G. Hea, J. McCrory, M. Skala (mgr.). Middle Row: J. Hogan, A. Gross, J. Mc Marahara, M. Back Row: Mr. Wall, J. Shores, P. Henderson, J. Steckel, J. Shinkle, R. Reise, E. Haven. Middle Row: B. Roberts, J. Alexander, G. Piers, R. Stanich, J. Roberts. Front Row: J. Milsap, S. Cashin, J. Roach, T. Reis, K. King, S. Krauss.

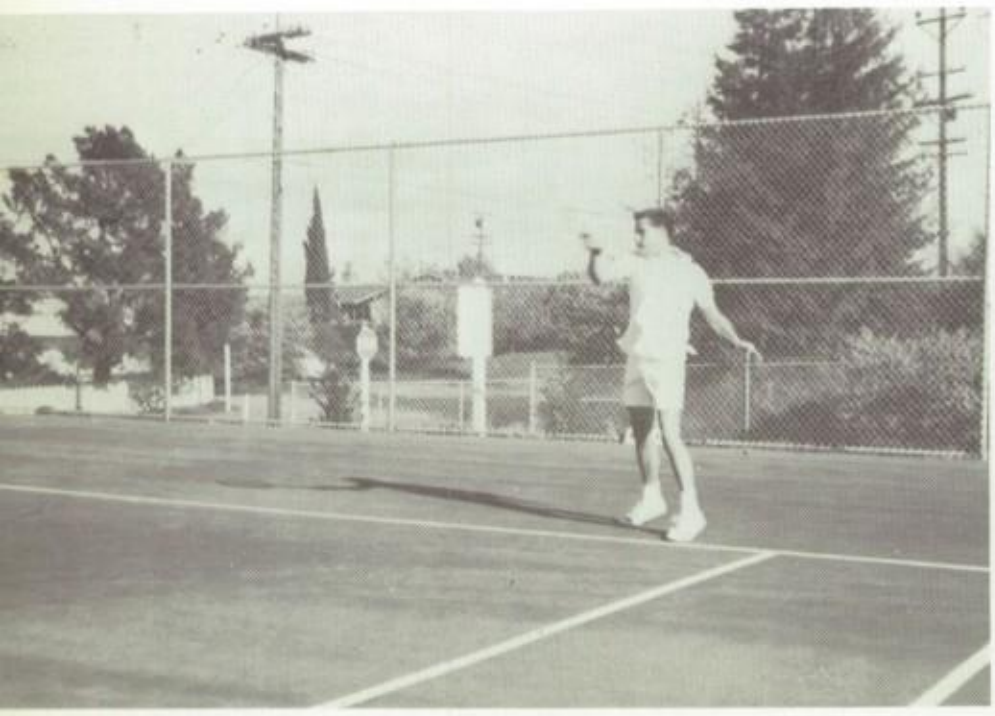
With several lettermen returning from last year's league championship team, this year's varsity tennis squad promised to be one of the strongest ever at Woodside.

Led by such veteran standouts as Torry Bryant, SPAL singles runner up, Skip Cashin, SPAL doubles champion, John and Bill Roberts, Ed Haven, Ron Reis, Jon Alexander, John Steckel and Phil Henderson, the Wildcats have run up an outstanding record and at early notice appeared to be on their way to another undefeated season.



Torry Bryant, Woodside's number one single player, smashes a forehand back against a strong M. A. opponent.

Skip Cashin, number two man, sets himself for an overhead

Varsity Baseball

Back Row, Left to Right: Coach Bob Poole, B. Waston, T. Dark, R. Kimberly, H. Shank, M. Schneoder, M. Stiener. Middle Row: R. Herbey, D. Morningstar, D. Pooley, G. Ott, B. Lampe, M. Paige, T. Jenks. Front Row: M. Sharron, E. Falk, G. Lucka, S. Clark, L. Holback, S. Ford, T. Store, D. Vierth.

This year's Wildcat Baseball Team was led by standouts Steve Clark, Harvey Shank, Don Pooley and Mike Schneoder. Shank, Clark and Schneoder sparked the hitting all the way to many victories, Clark having the best connecting average most of the season. The fine pitching of Tad D'Arc, Mitch Paige, and Harvey Shank helped tremendously in the winning of numerous, crucial games. Outstanding in the field play were Bob Watson, Don Pooley, Steve Clark, Mike Schneoder, Ernie Falk, Harvey Shank, Rich Kimberly, and Steve Ford. Practically all of the team will be returning, and we are looking forward to an even better season next year.

Top: Junior Steve Ford makes a spectacular catch in left field to end the inning.

Top: Gary Ott waits for the throw from Second Baseman Gary Lucka to complete a tricky double play.

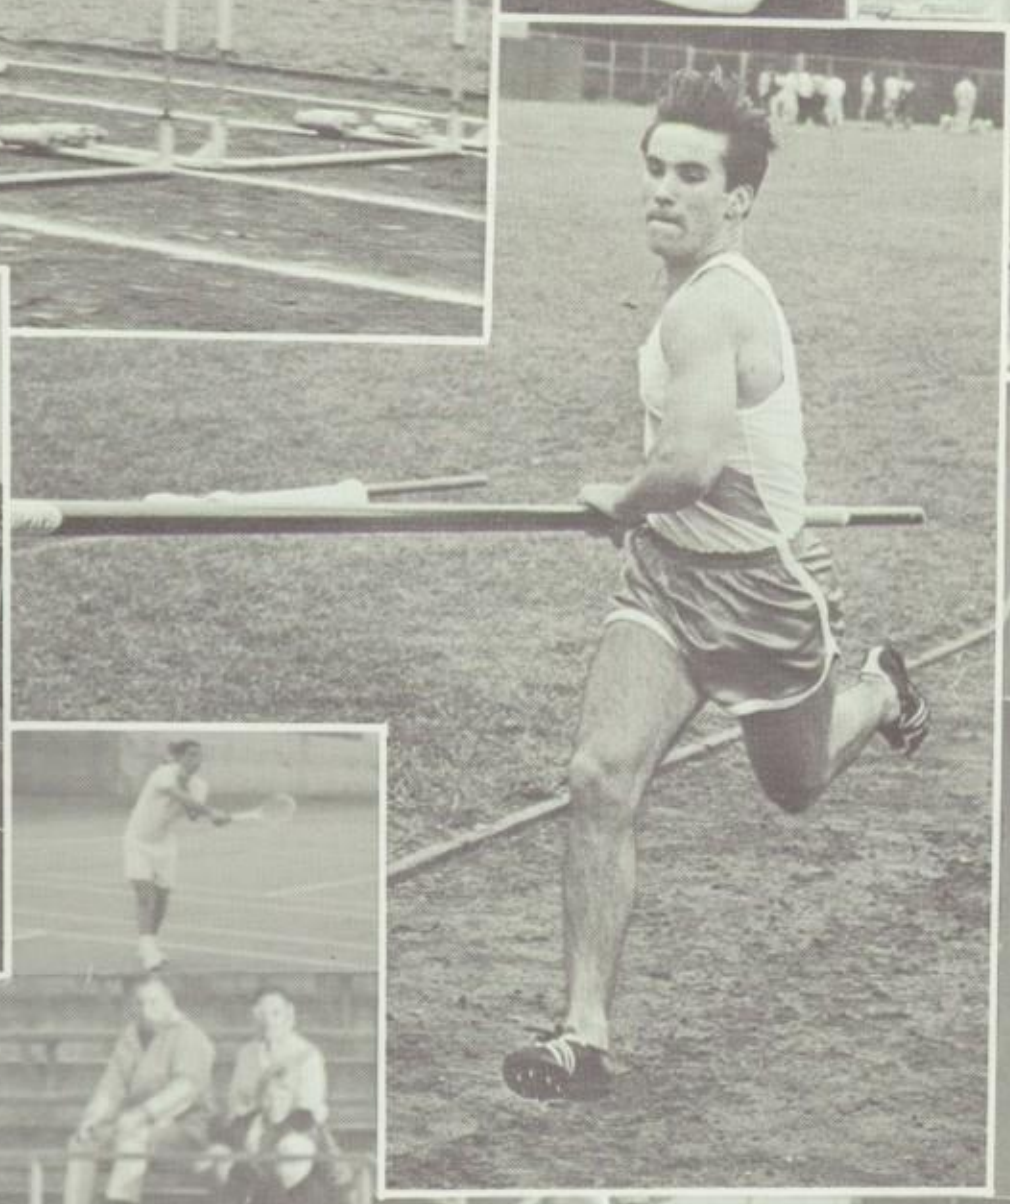
Frosh-Soph Baseball

Top Row, Left to Right: J. Shreve, M. Rewa, T. Boutacoff, R. Starr, C. Howe, R. Schultz, K. Hughes, Coach Don Silva. Middle Row: C. Zwicky, J. Jensen, J. Penman, L. Peterman, B. Eaton, D. Moldre, V. Musy. Front Row: W. Walkup, S. Pamon, B. LaBlank, J. Curtis, F. Karcher.

Woodside's Frosh-Soph baseball coach, Don Silva, felt that his good tight defense was responsible for the success of his team.

The teams leading infield players were Jim Curtis, Cris Courter, Larry Peterman and Mike Rewa. The outfielders are Joe DeScala, John Penman, Dick Damon and Vic Musy.

The five pitchers, Courter, Boutacoff, Schultz and Howe are "good ones" said Silva.



Varsity Swimming

D. Cambell, D. Alburger, G. Fitschen, H. Taylor, D. Kane, J. O'Hare, S. Smith, J. Orr, A. Kamada, A. Semit, A. Kauffman, B. Fairbanks, J. Davis, T. Edeli, D. Farrel.

Displaying a confidence unknown in coaching circles, Coach Boyd Mickley predicted outrageously successful campaigns for each of his Varsity "B" and "C" teams.

Coach Mickley, with a number of returning lettermen from last year's second-place Varsity squad, is looking for his Varsity to be among the top three teams again this year. M-A and Paly are the other top teams named by coach Mickley.

Expected to lead the '63 Varsity are Art Kauffman, Gary Fitschen, Doug Alburger, and freshmen Mark Rodgers and Jim Kauffman.

Top: Jan Davis starts the last leg of the freestyle relay against a powerful M-A squad.

Top: Freshman Mark Rodger pulls ahead of his M-A opponent to win the 400 freestyle event, and set a new school record.

"B" Swimming

Front Row: R. Alway, R. Kornberg, D. Horn, S. Carlton, J. Falla, J. Howell, B. Waldier. Second Row: T. Eckhardt, M. Rogers, E. Hunner, E. Gallagher, D. Sima.

The 'B's who also finished second last year are expected to be even better this year. Mr. Mickley feels he has a league champ on his hands in the 130's. Among others the coach named Greg Meacham, Jock Howell, Ed Gallagher, Jim Kauffman, and Mark Rodgers as prospective stars and possible record breakers.

"C" Swimming

The 'C's, too, are expected to be strong. Because many of the 'C's will be freshman, it is hard to tell exactly how the lightest weights will do, but Coach Mickley hopes for the second first-place campaign in a row for his 120's.

Named as excellent 'C' prospects were, among others, Jim Kauffman and Carl Waldhier.

Front Row: B. Sterns, B. Block, C. Savage, G. Meacham, J. Kauffman, B. Leahy. Second Row: C. Matoyer, J. Cooper, C. Byrne, B. Gilmore, B. Coonan.

PRESIDENT

VICE-PRESIDENT

SECRETARY

TREASURER

Bill Fairbank Libby Garrison Pam Yates

With three years of experience behind us, we now look forward to our last and greatest year. We have experimented, found our strengths and weaknesses, and are now prepared to make our final decisions.

This year the Junior Class has accomplished many things. Class rings were purchased and distributed, a fun-filled Rec Nite of games and dances was held, and our rally-skit was a big success. Coke sales at the football games were "rained out" so we were allowed to sell Woodside sweatshirts and candy after school for our money making projects. The Junior Prom, with a "Fountains of Rome" theme, was a night to be long remembered by all.

I would like to extend thanks to our advisor, Mr. Frey, with whose assistance we could not have done without, and to the Board for a job well done.

SOPHOMORE

CLASS OF '65 OFFICERS AND BOARD

Kip Connell Nancy Mulcahy Leslie Larson

The year is ended now, and the Sophomore Class can look back over worry and failure, and a good share of success and fulfillment. The Sophomore Class involved itself, for the most part, in social events. The first Rec Nite sold tickets to 400 Sophomores and the second Rec Nite was equally successful. The Valentine's Dance, though in darkness for the first hour and a half was hailed a success. The income from these events may be considered outstanding, as was the experience gained by those who worked on the affairs.

My gratitude goes to the faculty advisors, expecially Mr. Leipelt and Miss Dean who provided great aid in times of distress. I also extend thanks to the officers and to those other students who made the Sophomore Board a success. Without them, the class could have done little.

We may hope that the experiences of the Sophomore Class this year may add strength to future efforts.

FRESHMEN

CLASS OF '66 OFFICERS AND BOARD

PRESIDENT

VICE-PRESIDENT

SECRETARY

TREASURER

Colleen Fitzgerald Sally Moffet Mary Jane Roberts

This year was one of accomplishment. The freshman class participated throughout the school year in a moderate number of activities. Of course, a class of this size has many problems with which to cope with. The main problem was one of getting to know everyone. Another one was that of getting the feel of things, since this is a high school and not a junior high.

As far as our activities go, we were fortunate enough to have a "Toys for Tots" program that proved to be very successful. We sponsored a freshman dance that was the main activity of the year. I want to express my sincere gratitude to the board and all of our advisors, especially Mr. Ginter. Without him, our class would have never been able to do anything. But now, at the end of our freshman year, we are looking forward to three very successful years.

To the Students of Woodside:

During the past year, the yearbook staff has worked hard to create a book the school will be proud of. Although there have been many setbacks, we have crossed all bridges and now present to you the finished product. The staff has tried to keep established traditions and add new ideas that we hope will endure as long as the school. We shall never be fully able to express our gratitude to Mr. Umberger for his contributions. We hope that with this book we have captured your most enjoyable moments at Woodside.
